Event Overview

Welcome to the Blood Bowl World Cup 2027 draft ruleset. This is a resurrection tournament played by squads; no Star Player Points (SPP) are gained through gameplay, and any injuries, casualties, or deaths do not carry over to the next game. Shambling Undead, Necromantic Horror, Tomb Kings, Vampire, and Nurgle teams may apply the Masters of Undeath and Plague Ridden rules, but any players added to the roster during a game are removed at the end of the match. All teams are considered to have the exact same Current Team Value (CTV) for the purpose of Prayers to Nuffle. Squads will consist of 6 coaches, each with their own teams. A race may only be selected by one coach for each squad.

Creating Your Team

Each team has a specific Gold Budget based on their Tier to spend on roster creation and must hire a minimum of 11 regular players before inducing any Star Players. Any gold or SPP unspent at roster creation is permanently lost.

Tiers and Skill Sets

Teams are separated into tiers that dictate both their starting Gold and their SPP budget for purchasing skills.

You cannot hire the same Star Player twice within a squad; there can only be one instance of any specific Star Player across all 6 teams in your squad. If two opposing squads field the exact same Star Player in a match against each other, the Star Player double-books and neither team may use them for that game.

To ensure different player types are easily identifiable, we strongly suggest using the following colour conventions for base-rims:

- **LINEMAN:** Grey or Black
- **BLITZER:** Red
- **BLOCKER:** Green
- **THROWER:** White
- **CATCHER / RUNNER:** Yellow

Additional skills must be clearly identified on the miniature. The official tournament skill colour conventions are:

- **BLOCK:** Blue
- **DODGE:** Yellow
- **GUARD:** Green
- **MIGHTY BLOW:** Red
- **WRESTLE:** White
- **TACKLE:** Orange

Timekeeping & Conduct

All games have a strict time limit of 2 hours and 15 minutes. If requested by either coach, a chess clock must be implemented immediately, dividing the remaining time by 2.

Blood Bowl can be emotional, but there is a zero-tolerance policy for verbal abuse or disruptive behavior. Referees will enforce the following penalties for time-wasting or poor conduct:

1st OFFENCE: Official Warning

2nd OFFENCE: 2-Point deduction from the offending coach's score.

3rd OFFENCE: Immediate ejection from the tournament.
